

### VESSEL SPECIFICATION SHEET

#### CLASSIFICATION/CLASS/REGISTRATION

|       |                    |
|-------|--------------------|
| Built | 2009, Gina 1 China |
| Class | BV                 |
| Flag  | Turkmenistan       |

#### GENERAL DIMENSIONS

|                 |                                         |
|-----------------|-----------------------------------------|
| Length Overall  | 71.5m                                   |
| Beam Moulded    | 16.6m                                   |
| Depth Moulded   | 7.2m                                    |
| Draft (Max)     | 5.9m                                    |
| Free Deck Space | (approx. 35m x12.8m) 450 m <sup>2</sup> |
| Cargo Capacity  | 900 tons                                |

#### TONNAGE

|     |           |
|-----|-----------|
| GRT | 1299 Tons |
| NRT | 389 Tons  |
| DWT | 1300 Tons |

CERTIFIED  
ISO 9001  
ISO 14001  
ISO 45001

## MACHINERY

|                     |                       |
|---------------------|-----------------------|
| Main Engines        | 2 x Nigata 6L28HX     |
| Break Horsepower    | 5000 BHP              |
| Generators          | 3 x CAT 3412, 400KW   |
| Emergency Generator | CAT C44 DITA 83 KW    |
| Bow Thruster        | 1 x 7T                |
| Propulsion          | 2 x Azimuth Thrusters |

## SPEED & CONSUMPTION

|                       |                                            |
|-----------------------|--------------------------------------------|
| Maximum Speed         | 12 Knots                                   |
| Service Speed         | 10 Knots                                   |
| Estimated Consumption | Free Running 12T/24 Hr<br>Towing 16T/24 Hr |

## TANKS CAPACITIES

|                     |                    |
|---------------------|--------------------|
| Marine Gas Oil      | 480 m <sup>3</sup> |
| Potable Water       | 264 m <sup>3</sup> |
| Fresh water Ballast | 430 m <sup>3</sup> |
| Liquid mud          | 200 m <sup>3</sup> |
| Bulk Plant          | 113 m <sup>3</sup> |
| Oil Recovery Tank   | 7.3 m <sup>3</sup> |

## ACCOMODATION

|                  |                                                    |
|------------------|----------------------------------------------------|
| Air-conditioning | Fully air conditioned                              |
| Walk-in cooler   | 9.54 m <sup>3</sup>                                |
| Walk-in freezer  | 9.54 m <sup>3</sup>                                |
| Berths           | Crew mem-12beds<br>Passengers -17beds<br>Total 29, |

## TOWING & A/H EQUIPMENT

|                              |                                                   |
|------------------------------|---------------------------------------------------|
| Bollard Pull                 | 70 Tons                                           |
| Towing/Anchor handling Winch | Hydraulic D.D. Waterfall 150T@ 6m/min, 200T brake |
| Wire Dimensions              | 1000m x 52 mm                                     |
| Stern Roller                 | SWL 150 Tons 4.26m x 1.6 m                        |
| Shark Jaws                   | SWL 300 Tons                                      |
| Towing Pins                  | SWL 160 tons                                      |
| Tugger Winch                 | 2 x 10 Tons                                       |
| Anchor Windlass              | 5.5 x 10 m/min<br>Brake 43 T                      |
| Capstan                      | 2 x 5 Tons                                        |

## RADIO & NAVIGATION EQUIPMENT

|                                           |                            |
